

CHOPPER CRASH

With mercy, Medusa hides your eyes as the snakes devour her face in opposition.

My words are a worn mammoths tooth.
Language is a fossil.

A voice said, "O' Lord God in Israel"

I can risk being alone over and over,
Or I can win by communicating with you.

And another voice said, "I'm a twist-off mouth with a thin spell!"

Sacrifice to love's fire and the house will burn or be fueled by desire
So to the flowers
So to the snake

MENTAL HEALTH HOTLINE: Are you virtuous, histrionic, are you possessive, negativistic, are you self-undoing, avoidant, are you oppressed?

And you might think you're just a crack in the door; a child likely to suffer.

Face to face they face: empty eyes, a Tokyo rose, breathing dreams, cracked smiles, no names, satellites and atom crystal ...

Here's to humanoid boy! Solid state, chemical state, survival, chemical race, second-hand teen-agers, Clio was her name at 19. Face to face minds blot.

When somebody does too much research they create a jungle in the mind rather than a clearing in the soul. Create some sigils. Fuck!

OFF, OFF EELY TENTACLE ... there is nothing between us

Whoa! -- All these little monsters are splitting my atoms APART!!!! ;;; and all I can do is gaze at the statue of your universe

"High pressure nights fit into a pattern
A cloud will emerge
A cloud will wither away"

I saved the camel.
I saved the lion.
I saved the baby.
I didn't know I was doing it.
Because there was no time

But, her lips are swag
Savage
Fascinating
With some variety,
She'll leave you breath-less
